6 BILLING AND COLLECTIONS

6.1 INVOICING

TRAC Interstar will send all billing invoices to Customer at the email address on record or via other electronic means (e.g. web, EDI). Individual invoices are sent for each repair or other Roadside Assistance service. Invoices are attached to an email as a PDF file. Multiple invoices may be received in one day. TRAC Interstar will provide Customer with sufficient detail (e.g. chassis number, date) to support the invoiced amounts. TRAC Interstar will send invoices automatically when they are ready for invoicing. Except for any portion properly disputed under section 6.2, Customer must pay all invoices within 30 days of invoice date.

6.2 DISPUTES

If Customer disputes an invoice it must notify TRAC Interstar in writing within thirty (30) days of the invoice date via email to RScustomerservice@tracintermodal.com. If Customer fails to submit its dispute via email within such 30-day period, then TRAC Interstar will not review the disputed invoice and the entire amount of such invoice will be due and payable per section 6.1. TRAC Interstar will review all reasonably disputed invoices for which it receives proper and

TRAC Interstar Terms and Conditions

timely notice, and will credit Customer for any disputed charges that in TRAC Interstar's reasonable judgment are not for Customer's account. Disputes submitted in accordance with the first sentence hereof will be reviewed by TRAC Interstar within fifteen (15) days of receipt. TRAC Interstar is not responsible for detention fees or any fees related to driver's down time.

6.3 REPAIR EXPECTATIONS

- Direct Bill/Approval Process
 - TRAC Interstar understands that in some cases, the Customer may have an arrangement with the IEP for whom Customer is transporting the Equipment, whereby the IEP has agreed to be responsible and pay for roadside services and repairs of the Equipment. In such cases, when Customer's driver and/or company representative contacts TRAC Interstar for Roadside Assistance, TRAC Interstar will make every attempt to bill the IEP, if applicable, for any and all repairs within the IEP guidelines with the understanding that any and all items that are not covered by the IEP's, per their road service policies, will be for Customer's account. If the Customer fails to provide proper equipment numbers at the time of repair, this may result in improper billing for which the Customer will be responsible.
 - If a reference, purchase order, pro number and/or any other special requirements for Customer's account are required when Roadside Assistance is requested and/or for invoicing purposes, they must be submitted at the time of the Roadside Assistance request by the requesting party (Customer's driver or company representative) and agreed upon by TRAC Interstar. The failure to meet these requirements by either party does not alleviate the Customer's responsibility for the payment of Roadside Assistance provided hereunder.
- Estimated Time of Arrival (ETA) Communication
Customer should contact TRAC Interstar as follows if Customer has not received an ETA within thirty minutes of request: dispatch@tracintermodal.com.
- Reporting Changes to a Service Request
All changes which occur from the originally documented service event, i.e., equipment numbers, equipment type, component detail requiring repair, tire size, location change, should be reported to TRAC Interstar immediately as follows to avoid service delays and/or dry run charges: dispatch@tracintermodal.com.
- Canceling a Service Request
After submitting a service request, any cancellation must be reported immediately to TRAC Interstar as follows to avoid dry run charges: dispatch@tracintermodal.com. Any and all charges for a dry run that are not properly communicated to the TRAC Interstar team in a timely fashion would be for the Customer's account.
- Dry Run/Service Call Only
Once the Repair Vendor arrives at the break down location and is not able to locate the unit or locate the equipment issue, TRAC Interstar will contact the Customer's company representative

TRAC Interstar Terms and Conditions

who requested the Roadside Assistance. If TRAC Interstar is not able to reach the representative who requested the Roadside Assistance or the Customer's designated company representative, TRAC Interstar will advise the Repair Vendor to perform another yard check for equipment availability. If the unit is not located and/or no issue found with the equipment, TRAC Interstar will invoice the Customer for the service call only.

- Retention of Removed Parts

It is the responsibility of the Customer to retain any removed parts or tires that are needed. When requested, TRAC Interstar will instruct the Repair Vendor to provide removed parts/tires to the driver. However, TRAC Interstar cannot be held responsible for parts or tires that are not kept by the driver. If there is an issue with release of the parts/tires by the Repair Vendor, Customer should contact TRAC Interstar immediately as follows for assistance:
dispatch@tracintermodal.com.

- Repair Vendor Payment

TRAC Interstar shall pay the Repair Vendor for Roadside Assistance provided to Customer hereunder. Customer should not pay the Repair Vendor directly and should contact TRAC Interstar immediately as follows if either the Repair Vendor and/or shop requests payment for such services from the Customer: dispatch@tracintermodal.com. TRAC Interstar will not be responsible for payments made by the Customer directly to the Repair Vendor for such services, nor will any such services be covered under the warranty.

TRAC Interstar shall require the Repair Vendor to provide Roadside Assistance in a safe, efficient and workmanlike manner in accordance with the requirements of these Terms and Conditions. It is understood and agreed that Repair Vendors are independent businesses (not employees or agents of TRAC Interstar). Although TRAC Interstar selects Repair Vendors for their ability to provide Roadside Assistance, TRAC Interstar does not warrant the Repair Vendors' workmanship or represent that they will have the parts or be able to provide the repairs requested. Notwithstanding anything contained herein to the contrary, responsibility for any loss or damage suffered by the Customer relating to unsatisfactory workmanship in the performance of Roadside Assistance, including without limitation, equipment downtime, detention and lost business, remains solely with the Repair Vendor. However, TRAC Interstar shall attempt to assist the Customer in resolving any Repair Vendor complaints, provided that Customer notifies TRAC Interstar of any such complaints as soon as possible and before any additional repairs to the Equipment are made, as follows: If Customer has a complaint about any Roadside Assistance provided by a Repair Vendor, it shall email TRAC Interstar at RScustomerservice@tracintermodal.com and provide TRAC Interstar with the following information: Date of Roadside Assistance; Equipment breakdown location; unit number of Equipment type of repair(s) and/or part(s) provided; and details of Customer's complaint. It is understood and agreed that failure to report a complaint in such timely manner may limit TRAC Interstar's ability to assist Customer.

7.2 DISCLAIMER OF WARRANTIES

Other than as expressly provided in these Terms and Conditions, TRAC INTERSTAR MAKES NO EXPRESSED OR IMPLIED WARRANTY OF QUALITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE OR OTHERWISE WITH RESPECT TO ANY REPAIRS, SERVICES, MATERIALS OR PARTS PROVIDED IN CONNECTION WITH THESE TERMS AND CONDITIONS AND HAS NOT MADE, AND SHALL NOT BE BOUND BY, ANY STATEMENT, CONTRACT OR REPRESENTATION NOT SPECIFICALLY SET OUT IN WRITING AND SIGNED BY TRAC INTERSTAR.

TRAC Interstar Terms and Conditions

7.4 TERMINATION AND SUSPENSION; NOTICES

Either party may terminate these Terms and Conditions upon thirty (30) days prior written notice to the other. In addition, TRAC Interstar may suspend service or terminate these Terms and Conditions at any time if Customer fails to pay any amount due hereunder that is not being properly disputed pursuant to Section 6.2, above, within five (5) days of its due date, fails to observe any other material term or condition hereunder, becomes insolvent, or seeks relief or protection under any law relating to bankruptcy. In addition to and without limiting TRAC Interstar's suspension of services or termination rights hereunder, TRAC Interstar shall have all rights and remedies provided hereunder and/or under applicable law, arising from any breach by or default of Customer hereunder.

TRAC Interstar may, without the consent of Customer, (i) assign these Terms and Conditions, (ii) grant a security interest in these Terms and Conditions and/or the proceeds to be paid hereunder to a lender or lenders and (iii) delegate the performance of Roadside Assistance or other services to be performed hereunder to one or more Repair Vendors. Subject to the foregoing restrictions, these Terms and Conditions shall inure to the benefit of and be binding upon all successors and assigns.

The waiver of any breach of any of the terms and conditions hereof shall be limited to the act or acts constituting such breach and shall not be construed as a continuing or permanent waiver of any such terms and conditions, all of which shall be and remain in full force and effect as to future acts or happenings notwithstanding such waiver.
